Abbey School is a school for children and young people with SEND. We are a special school based in Kimberworth with a Post 16 provision on the main site and a satellite provision at Horizon Community College in Barnsley. There is 1 position based on the main site in Rotherham in Upper School with secondary aged pupils and the other is in Lower school with Primary aged pupils.

We currently have 234 pupils aged between 5 to 19 years old. The school has a strong ethos on inspiring youngsters to learn, believing that they are able to overcome any barriers and achieving their absolute full potential.

We have an immersive approach to our curriculum that is thematic throughout the school. Our classrooms are immersive and this allows pupils to work both independently and in collaboration together. We offer a fantastic CPD programme for all staff at all levels. We would strongly advise you to look on our website and twitter pages to see some of our fantastic work.

Our Opportunity

We are seeking to appoint a highly motivated, enthusiastic, hardworking and flexible Teacher to join a team of dedicated staff who are committed to providing an excellent learning environment and become part of a successful team in a busy working environment.

Whether you are an experienced Teacher who has worked within a mainstream or specialist education setting, or someone who has exceptional vocational skills and a real drive to make a difference in children's lives, you must be able to provide our children with aspirations for their futures along with promoting a positive culture in everything you do.

Knowledge of SEN will be advantageous and you must be able to respond to the emotional, social and mental health needs of our children and young people. You will be required to ensure the safety of our children and young people and facilitate their access to learning by responding to individual needs, which may include personal care and hygiene needs such as toileting and nappy changing.

Experience in working with the relative aged pupils for the position in which you to be considered for would be necessary. Please note that our pupils in Upper do take core GCSE's so experience of supporting pupils with this would also be advantageous.

Via your excellent interpersonal skills, you will have the opportunity to make judgements on the attainment and progress of our students and be able to help them celebrate success.

You will be working as part of a team supporting whole class lessons, group work and working one to one with pupils. You will be part of a committed staff team who are motivated every day by improving the life chances of our children and young people.
